VISUAL ARTS COMMITTEE MEMBERS (2008)

Lauren Buchholz, Chair; Dena Stein, Vice Chair;
Dina Cheyette; Keith Teleki; Ervin Upton; Janis
Zinn; Vacancy

BACKGROUND ON VISUAL ARTS COMMITTEE

The Visual Arts Committee is dedicated to enlightening the imagination of the citizens and to enriching the spirit of the City through public art and related community programs. The Committee advises the City Council on the selection of art and artists for City-funded public art acquisitions and sponsors art exhibits and shows. For further information, please call (650) 903-6306.

PUBLIC/ PRIVATE ART TOUR OF THE NORTH BAYSHORE AREA

Especially for those who enjoy exploring and admiring art, a self-guided public art tour of the North Bayshore Area is a unique recreational opportunity and positive way to recognize Shoreline at Mountain View. This tour ventures onto City streets and business park areas. It provides a unique opportunity for the public to view our community's public art pieces up close.

Whether walking or driving, you may wish to allow adequate time and make provisions to fully enjoy this experience. A walking tour lasts approximately 2.5 hours. It is recommended that you bring/wear: comfortable walking shoes; a hat; sunglasses; and bottled water. For further information about additional public art in the North Bayshore Area and throughout the City of Mountain View, please call (650) 903-6306 and request a copy of the 40-page publication entitled, "Public Art in Mountain View."
